A BIT MORE

Enjoy life at the base of the Canyon of Park City Mountain. Stay at a Lovely remodeled townhome in a tranquil Hidden Creek complex. Relax in the hot tub + sauna after a day on the mountain. Catch free buses to Main Street Old Town Deer Valley; the bus stop is 50' away. The home has three bedrooms, a loft and two fully remodeled bathrooms, luxury furnishings and linens.

The kitchen is stocked for any cook to make themselves at home. Pots, pans, excellent knives as well as a rice cooker, blender, wok, Bonavita coffee pot, electric kettle, mixer, waffle maker, toaster and crockpot.

The home is comfortably furnished with a Natuzzi leather couch, Herman Miller Eames chairs mixed in with family heirlooms. Dining room table extends seating for 8. Everything in is sturdy, so relax and enjoy. Smart TV gives you access to your content. Xfinity cable and high speed internet is provided. Enjoy a gas fireplace and stone hearth to keep you toasty warm as you wind down from your day.

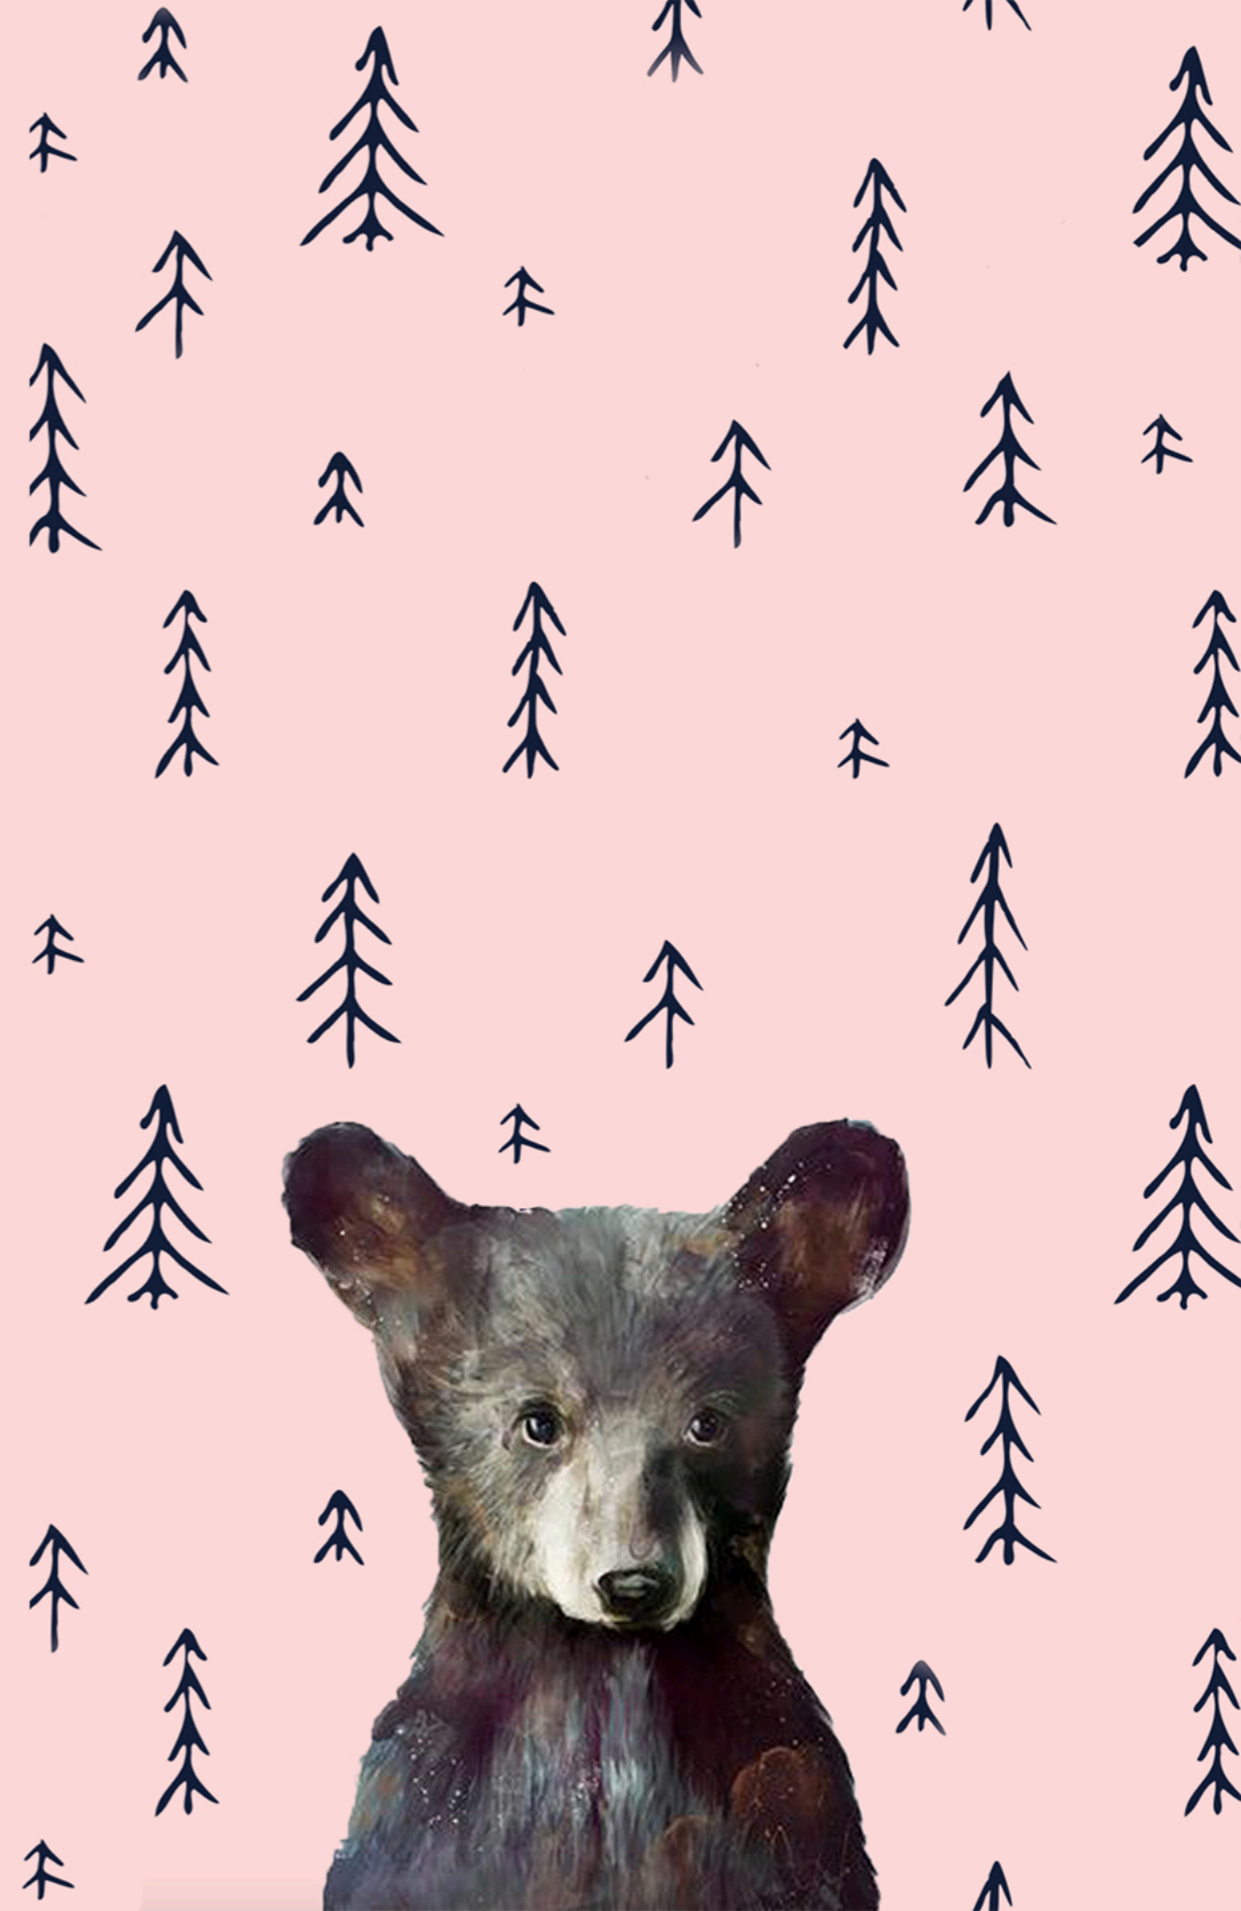

The home is equipped with Smart Lock entry. No keys to lose, check in when you want hassle free!

We plan to have rooms assigned before arrival, but will do our best to accommodate where possible. There will be shared rooms; however, there are options for sofa sleepers if you want your own space. Some details will be worked out upon arrival. Rest assured you will be comfortable and cared for. Things will be busy so pitching in is greatly appreciated.

We are very lucky to have snagged such a beautiful home for our stay and the pool and hot tub area appear to be fabulous. I trust all will respect the facilities as you would your own home, if not better.

PARK CITY CANYONS BASE

RESORT NUMBER and Host Name is Patsy | 1.321.2290

We will be shopping for breakfast foods and snacks before arriving in Park City. If there is something you cannot live without, please feel free to get it beforehand. We will supply travel bars and nutrition due to the advanced activities we will be doing each day. There will be rest periods between sessions. Not everyone will be in each session; however all are welcome to join us on any of the adventures we have planned.

Please eat breakfast and lunch before arrival. Plan to meet at the Business building parking lot at 3:30 PM. Arriving 10 - 15 minutes early is helpful so you can be on the road by 3:30. We will get dinner once we have dropped luggage at our Airbnb. Your cars should be fine parked there over the weekend.

I will send a mass email with your specific name excusing you from classes. If you need me to speak with a professor in particular I am happy to do so.

Our host is being incredibly gracious, so let's plan to keep things clean. Shoes must be removed before entering at all times. You are welcome to bring extra blankets or special pillow to help you sleep better.

*WE WILL GO OVER OUR AGENDA IN
DETAIL EACH EVENING AND PREP FOR THE
FOLLOWING DAY. THIS WILL INCLUDE
OUTFITS, HAIR AND ALL STYLING CHOICES.*
